

BNP Organizing Committee
Wednesday, July 27, 2010
Union Bank Community Room
Minutes

- Had a healthy discussion about improving the outreach of the plan
- Discussing ways to empower the committee to vote on recommendations for changes to the Draft Plan that will be forthcoming from the subcommittees.
- Committee should serve as the voice of the community for the BNP.

A motion was passed unanimously that we establish an organizing/steering committee to make and approve recommendations for revising the Draft Japantown Better Neighborhood Plan.

There was discussion but no formal amendment.

1. The original Steering Committee members should be encouraged to join this committee.
2. Regular attendance at meetings should be a requirement.
3. Each committee member should sign up to be on at least one subcommittee.
